

## Urban “easy-does-it” Hard Surface Cleaner

### Description

Urban “easy-does-it” Hard Surface Cleaner blasts through even the toughest compacted dirt to see floors, walls, doors and buildings actively clean. This super-wet biocide free cleaner cleans to the core of the stain, severing the bond between contaminant and substrate to actively break the bonds of adhesion and facilitate the effective removal of dirt. Once cleaned the surface is left super-clean and more resistant to future soiling. Urban “easy-does-it” Hard Surface Cleaner is perfect for those heavy cleaning jobs where stubborn dirt, grease and grime are hardest to remove in places like garages, kitchens, warehouses and public toilets, anywhere that clean appearances really matter.

For heavy soiling and deep cleaning, compacted dirt, grease, oil, rubber, paint and rust.

### Directions for use

- i. For best results, use above 3C.
- ii. Remove as much excess dirt as possible.
- iii. Spray the ready to use product onto the surface.
- iv. Leave for 1 minute for general cleaning and up to 10 minutes for heavy soiling.
- v. Agitate with brush, cloth or scraper, as necessary.
- vi. Wipe clean, or rinse with clean water.

Can be used with floor scrubbing machines and mopping systems.

### Packaging
