

Urban “easy-does-it” Chewing Gum Remover

Description

Urban “easy-does-it” Chewing Gum Remover has been specifically formulated to meet the exacting standards set by today’s professional cleaning maintenance staff. Once applied it quickly removes chewing gum, candle wax and other gummy substances.

Urban “easy-does-it” Chewing Gum Remover is especially suitable for the cleaning of carpets, upholstery and most hard surfaces.

Advantages

- Easy to apply
- The powerful formula effectively removes chewing gum and other gummy residues.
- AD136 is neutral and therefore safer to use than acidic or alkaline materials.

Directions for Use

Supplied ready to use.

Apply an even coat, leave to soften the gummy residue, scrape off using a suitable scrapper, apply a further coat and agitate with a Scotchbrite pad.

A small area of fabric and plastic surfaces should be spot tested when used for the first time to ensure product compatibility.
